

Hassocks Parish Council Parking Working Group – Northcourt

***Update* July 2018**

Following your feedback to the proposals made for North Court, we have amended them as follows:

1. Stage 1 is going ahead with two No Waiting 8am to 6pm restrictions:
 - a. on the inside of the bend (as shown).
 - b. on the end of the turning circle outside Nos 30 and 53
2. Stage 2 proposals will address concerns about need for additional restrictions and will also further protect the turning area at the end of Northcourt. These will be:
 - a. No waiting 8am-6pm Mon-Fri from Nos 2 to 12 and No 18 to 28
 - b. No waiting 12noon to 1pm Mon-Fri from Nos 1 to 13
 - c. Extend Turning Circle to west side of Nos 28 and 51 on both sides
 - d. Unrestricted Parking between Nos 15 and 49 is available for visitors and residents.

These restrictions aim to guarantee access for Refuse Vehicles and other large vehicles and to meet a WSCC requirement for a significant proportion of unrestricted parking.

As this is a change to the original scheme, there is a short period for any further responses. WSCC have a tight timescale for projects being carried out in the next financial year (2019/20), so please respond by the date shown below.

Responses can be sent by:

1. Email to info@hassocks-pc.gov.uk
2. Post to Parish Centre, Adastra Park, Keymer Road, Hassocks BN6 8QH

Closing Date is Friday 17th August 2018
