

Changes to Compass Travel Bus Services taking place on 9 January 2017

Services 28/29: Haywards Heath Town Services

These services are withdrawn and replaced by new service 30 and service 31 which will be extended to Lindfield (see below)

Service 30: Haywards Heath Town Service

New hourly service from Lindfield to Princess Royal Hospital via the Town Centre and America Lane. Replaces withdrawn services 28 & 29 above.

Service 31: Uckfield to Haywards Heath

Extended from Haywards Heath Sainsburys to Lindfield, partly replacing withdrawn services 28/29 above.

Service 33: Haywards Heath – Hurstpierpoint

Withdrawn on Saturdays afternoons between Haywards Heath and Burgess Hill (alternative buses available on Compass 40, and Metrobus services 270, 271 & 272). Other minor timetable changes on Mondays to Fridays.

Service 37: Haywards Heath – Crawley

This service is withdrawn. Most passengers have alternative buses on Metrobus 271 except those living in Balcombe. A few journeys on Compass Travel service 40 will be extended from Haywards Heath and Cuckfield to Balcombe and Crawley (see below).

Service 40: Brighton – Haywards Heath - Cuckfield

Some journeys extended at school times and during the daytime on Mondays to Fridays to Balcombe and Crawley, partly replacing service 37 above. In Balcombe buses will run via B2036, Bramble Hill and Haywards Heath Road and not via the current 37 route of Newlands and Oldlands Avenue. This is because of the difficulties encountered in passing parked vehicles in Newlands.

Service 136/137 Burgess Hill Town Services

Journeys operating during School holidays only withdrawn, the remainder of the buses running between 0930 and 1500 continue unchanged.
