

## SENIOR RAILCARD DISCOUNTS

As from 1 April 2014 arrangements for subsidised senior railcards are changing. Please note that the Parish Council will **not** be able to issue rail vouchers after that date.

From 1 April 2014 residents will be able to obtain a unique number from the Parish Office which will entitle them to a 20% discount on purchasing a railcard (bringing in proof of age and residence for new applications).

They will then need to contact the Association of Train Operating Companies (ATOC) by either visiting the [senior railcard page](#) on the National Rail website, or by ringing the ATOC customer service on 08448 714 036 to complete the application and arrange payment. Railcards will then be dispatched by ATOC
