

# **PARKING WORKING GROUP – UPDATE MARCH 2014**

**Parking Update** – *A big step forward.*

West Sussex Council has now included the Hassocks Parking Report in their programme of future work. Initially consultants will review the recommendations that apply to WSCC and in discussion with the Parking Working Group and our County Councillor will draw up an action plan. There was tough competition for the allocation of resources by WSCC and it took a clear and well-presented report together with the strong support of our county councillor. Other recommendations involve Mid Sussex Council and Network Rail and both parties have responded positively with suggestions. Meetings have been set up to discuss these in more detail and agree the best approach. Watch this space!
